

Welcome to DropIN - Home

DropIN is the free, flexible and interactive way to connect with the community sector

Drop the lengthy email threads and endless chase to find the most update version documents or news and events. DropIN lets you see everything about the sector in a single place!

[Sign up now – it's free!](#)

Sector owned and purpose built – DropIN is the one stop shop for NFPs, Government and Industry to access resources, build projects and drive innovation!

DropIN enables you to
[Connect](#)

Find the whole sector in one click
[Collaborate](#)

Share information, resources and ideas
[Grow](#)

Work together to realise shared goals
Do more with spaces

Manage your network activities and cross sector projects with Spaces! Store minutes and working documents, discuss ideas online, schedule meetings on a shared calendar and much more to help you do more with less!

Looking for something more tailored? Check out what *PREMIUM* spaces can do for you.
